

QUALITY POLICY STATEMENT

QUALITY OF PRODUCTS PRODUCED AND SERVICES PROVIDED BY OUR COMPANY SHALL OVERCOME REQUIREMENTS OF OUR EVERY CUSTOMER.

POLICY:

Main directions of Quality Policy, carried out by company's top management are:

- Understanding and satisfaction of every customer requirement.
- Organization's active direction to create and maintain internal environment where staff fully understand their impact on the products' quality.
- Managing the company as a system of interrelated processes.
- Continual improvement of the organisation activity based on systematic review of the objective data received.
- Reduction of production costs.
- Quality management system complies with ISO 9001:2015, EN 54 and applicable laws, regulations and guidelines governing the manufacture of the products.
- Minimising environmental effects on the company's activity.

AIMS:

Top management of the company states the following aims to realize the Policy main directions:

- Minimisation of production costs through analysing and reviewing existing technological processes.
- Maintain documented quality management system, improve its effectiveness based on review.
- Successfully pass third party assessments and surveillance visits to ensure maintained conformity to international standards.
- Provide products conforming to the regulatory requirements.
- Confirm staff competencies to stated requirements.
- Use of technical solutions to minimise environmental effect.

The stated aims are to be concretized during planning of each department's activities.

The ASI top management have formulated and approved the Quality Policy and takes full responsibility for its realization and for necessary provision of resources.
